**SECTION 10.0 – INTEGRATED SERVICE PACKAGES\*, (CONT'D.)**

**10.2 BellSouth® Business Class Family of Services, (Cont'd.)**

**10.2.6 Technology Upgrade**

Should Customer purchase, as a direct substitute for any BellSouth Long Distance MSC Contributory Service, a new Service made available by BellSouth, or any of its affiliates, during the Term, such substitute Service shall be considered in assessing Customer's potential shortfall liability to BellSouth Long Distance, provided substitute Services have a Term commitment of at least as long as the length of time remaining on Customer's existing BellSouth Business Class Family of Services Agreement. Should substitute Service be made available by BellSouth Long Distance, Customer's Service charges for such substitute Service will contribute to Customer's MSC. As a direct result of Customer's Service substitution, should Customer no longer be able to satisfy its MSC, BellSouth Long Distance will waive the Shortfall Liability caused directly by Customer's switch to such substitute Service. Customer's Shortfall Liability waiver under this provision will not exceed 50% of Customer's MSC. Should BellSouth Long Distance waive Customer's Shortfall Liability under this provision by more than 25% of Customer's MSC, BellSouth Long Distance may adjust Customer's Service Charges to compensate BellSouth Long Distance for that waiver.

All of the following conditions must be met in order for the Customer to be eligible to receive consideration for Business Downturn or Technology Upgrade:

- (A) BellSouth Long Distance Services are not provided as part of a Customized Pricing Arrangement (CPA), unless otherwise stated in the CPA.
- (B) The Customer must be in good credit standing (i.e., not more than sixty (60) days past due on any BellSouth invoice).

In order to initiate Business Downturn and/or Technology Upgrade requests, notice, in writing, should be sent to BellSouth:
